Data Sheet

Duets® Accents™

Duets
BY GEMINI

TM

Transparent, translucent and solid color substrates for aesthetic decor.

Duets® Accents™ is single-ply, cell-cast acrylic sheet material offered in both a range of transparent, translucent and opaque colors. Duets Accents offer a wide range of versatility, with contemporary architectural colors, a combination of gloss and matte finishes, and can be easily paired with Duets® Tactiles™ to create a tactile sign with the look you want.
